No. 21A-016-INS

ORDER TO CEASE AND DESIST

Respondent

MCCORMICK, LAURA JEANINE

(National Producer No. 16772382)

The Arizona Department of Insurance and Financial Institutions ("Department") has received evidence that **Laura Jeanine McCormick ("McCormick" or "Respondent")** unlawfully sold, solicited, and negotiated insurance without proper licensure in the State of Arizona. Accordingly, the Director of the Arizona Department of Insurance and Financial Intuitions (the "Director") makes the following Findings of Fact and Conclusions of Law and enters the following Order pursuant to A.R.S. § 20-292.

FINDINGS OF FACT

- 1. McCormick is, and was, at all material times a Texas resident insurance producer, licensed with the Texas Department of Insurance ("TDI") with three lines of authority: property, casualty, and surplus lines of insurance. McCormick's Texas license, number 759050, is scheduled to expire on January 31, 2021.
- 2. McCormick does not currently hold, nor has ever held, an Arizona insurance producer license.
- 3. McCormick's business address of record with TDI is 8401 North Central Expressway Suite 1000, Dallas, Texas 75225-4405. McCormick's last known mailing address per the National Association of Insurance Commissioners is 808 Parkdale Court,

Southlake, Texas 76092-1704. The Department was not able to discover a business e-mail address for McCormick.

Unlicensed Activity

- 4. On or about December 8, 2020, The Department received a written complaint from Chubb National Insurance Company. The complaint alleged that McCormick misrepresented terms and made unauthorized alterations to surplus lines insurance applications for various companies, including a company named A Professional Image Inc. ("API").
- 5. API is an Arizona business entity registered with the Arizona Corporation Commission since December 24, 1997. API's statutory address is 1140 South San Jose #1, Mesa, Arizona 85202.
- 6. The Department's subsequent investigation revealed that McCormick communicated directly to API via email to sell, solicit, and negotiate surplus lines insurance policies as follows:
 - a) On July 23, 2014, McCormick sent API an email message stating, "As you know its [sic] time to renew your E&O coverage. I am attaching two options for you this year. The renewal from Lloyds of London, all terms conditions per expiring. The premium went up this year a bit due to your increase in revenues from 1.4m to 1.575m. I am also attaching a quote from the other program that is designed for Answering Services, underwritten by Scottsdale. It has the same limit and deductible. The advantage is that this policy's Privacy Liability allows for higher limits, and includes fines and penalties. Consider your high percentage of medically related

accounts, you may be interested in this higher limit availability du to possible HIPAA violations. Scottsdale is an 'admitted' company in your state, therefore there are no additional taxes for fees as on the Lloyds form. The disadvantage is that this form does not allow for that additional 1m limit just for defense, that you have on your Lloyds policy now. (you could consider a higher limit which many are detailed on the quote). Both policies have full limits contingent bodily injury/property damage, specified definition of services, no exclusions for mechanical breakdown or power interruption. Please take a look through both options, and lets set aside a time to talk to figure on how you would like to process." (Signed, Laura McCormick, Senior Broker, Professional Lines, U.S. Risk Brokers, Inc., Dallas, TX.)

- b) On July 30, 2015, McCormick sent API an email in which McCormick again engaged API in regards to their renewal for their E&O policy. In that email, McCormick discussed the increase in premium and instructed API how to renew their policy. McCormick signed the email as the Senior Broker with U.S. Risk Brokers, Inc., Dallas, TX.
- c) On July 28, 2016, McCormick sent API another email where she discussed API's policy renewal. McCormick signed the email as Senior Vice President, National Practice Leader, Professional Liability, MaketScout, Dallas, TX.
- d) On July 26, 2017, McCormick sent API an email message stating, "Please see attached renewal terms. There is a small increase which I have been battling for the past two years. This is due to increase in revenue. However, please note that the new coverage has been included for Cyber Extortion." (Signed Laura McCormick, Senior

Vice President Professional lines, MarketScout, Dallas, TX).

- e) On July 19, 2019, McCormick sent API an email message stating, "Thank you for returning your E&O renewal application. Attached are the renewal terms. All is basically the same as last year coverages, limits, deductible and premium (actually down about \$14). Please take a look through and let me know if any tweaks need to be made. (Signed Laura McCormick, Senior Vice President Professional Lines, MarketScout, Dallas, TX).
- f) On July 1, 2020, McCormick sent API an email message stating, "Wanted to let you know personally that I have "retired" from the insurance broker/account management role that I have worked with you over the past many years. I will still be in the industry but outside of a sales and service role. I am very much looking forward to this change! Rest assured that the programs that were put in place are secure and intact at MarketScout Brokerage. From a service standpoint, and simplicity, you may want to designate the agent that handles the rest of your business insurance as the servicing agent. They would submit the applications to the market, and handle the servicing throughout the year. Because of my long term ties to the industry, and our long term business relationship, please don't hesitate to contact me personally going forward if you have any questions on how coverage applies, contract wording, etc. I seem to recall in our annual reviews we'd make some tweaks based on services, etc." (Signed Laura McCormick).

CONCLUSIONS OF LAW

1. The Director has jurisdiction over this matter.

Upon receipt of a timely written request for hearing, the Director will issue an order 1 setting the time and place of the hearing. 3 Effective this 17th day of February , 2021. 4 Evan Il Dami 5 6 Evan G.
