**RE:** **Revision of Private Passenger Automobile Property Damage Threshold For Purposes Of A.R.S. § 20-1631(E)**

The Arizona Department of Insurance (“Department”) administers the Arizona Revised Statutes, Title 20, Chapter 6, Article 11, regarding the cancellation or nonrenewal of personal automobile insurance. Pursuant to A.R.S. §20-1631(D), this article restricts the reasons an insurer may cancel or nonrenew a personal automobile policy after it has been in effect for 60 days; however, A.R.S. §20-1631(E) sets forth the conditions permitting an insurer to annually nonrenew no more than one-half of one percent of its personal automobile policies.

For accidents occurring after January 1, 2000, A.R.S. § 20-1631(E) requires the Department to annually adjust and publish, to the nearest \$10, the threshold amount of property damages insurers may use to nonrenew private passenger automobile policies under Subsection E. The threshold adjustment must be based upon the percentage change in the all-items component of the consumer price index for all urban consumers (CPI-U) of the United States Department of Labor, Bureau of Labor Statistics (BLS). To date, the Department has adjusted the threshold as follows:

<b>Circular Letter Or Bulletin Number</b>	<b>Date</b>	<b>BLS' CPI-U</b>	<b>Property Damage Threshold</b>
<a href="#">Circular Letter 2000-3</a>	2/14/00	2.2%	\$1,840
<a href="#">Regulatory Bulletin 2001-1</a>	2/7/01	3.4%	\$1,900
<a href="#">Regulatory Bulletin 2002-1</a>	1/28/02	2.8%	\$1,950
<a href="#">Regulatory Bulletin 2003-02</a>	1/23/03	1.6%	\$1,980

<sup>1</sup>This Substantive Policy Statement is advisory only. A Substantive Policy Statement does not include internal procedural documents that only affect the internal procedures of the Agency, and does not impose additional requirements or penalties on regulated parties or include confidential information or rules made in accordance with the Arizona Administrative Procedure Act. If you believe that this Substantive Policy Statement does impose additional requirements or penalties on regulated parties you may petition the agency under Arizona Revised Statutes Section 41-1033 for a review of the Statement.

The BLS' most current United States' City Average CPI-U is 2.3%. Therefore, as of this date, **the property damage threshold level is hereby increased to \$2,030** ( $\$1,980 \times 1.023$  rounded to the nearest \$10). Insurers may not use Subsection E to nonrenew personal automobile policies unless the insurer meets all of the requirements stated in A.R.S. § 20-1631(E) and the property damage exceeded \$2,030 in 2004. The \$2,030 threshold will remain in effect until the Department publishes an adjusted threshold in 2005.
